5) The question of grant of leave to Sri Rajeevalochanam has been fully discussed in the notes of the Collector C-B. 130-48-3,4 placed below. The request of this officer is to reconsideration of the G.O. dt 30.11.49 (flagged 'A') The ground urged is that he orally made a request for the grant of leave. But this is not in conformity with the rules laid down in the M.S.R. It should have been made in writing. The other request

Serial No.

of the officer for the grant of leave for three days earned during the period of extension may not arise as this officer does not seem to have applied for the leave while he was in service. As this officer had applied in writing for grant of leave on 22-9-48. He reached the age of Superannuation ~~on~~ on 8-10-48. If he wanted to utilise the leave he should have applied well in time. Since he failed to do so he is eligible for only from the date of his application to the date of Superannuation which was sanctioned in G.O. M/ 30.11.49. There does not appear to be any great ground for the reconsideration of this case...

b) Submitted for orders with reference to para 1 supra.

WD/14/11. 7) It is clear that the ~~above~~ requirements of M.S.R. have not been complied with in so far as the furlough leave to which Sri Rajivalochanam was normally entitled was not applied for and refused in writing, and the officer has perhaps to forgo the claim in the circumstances — unless the rules are relaxed in his favour, as a special case. The latter course requires financial concurrence and sanction by Council.

8) There is, however, one point in Sri Rajivalochanam's representation which may merit reconsideration. On 23.9.48, that is, 14 days before attaining the age of Superannuation, Sri Rajivalochanam did apply for the Combined leave which was at his Credit. The application was, admittedly, belated, and as pointed out by the D.P.I. it was not also, in the strict sense, an application for the grant of leave due requiring to be dealt with under Art. 147 of M.S.R. as the leave was sought to be availed of on relief after retirement and was apparently regarded as a "Concession" which it is not, the matter being one primarily regulated by the needs of the Public Service. The D.P.I's reply to this appn. was equally belated and somewhat beside the point as an extension of Service - no doubt granted in the interests of the Public Service and not for the personal benefit of the Officer - has nothing to do really with and is no bar to the grant of leave due. Had Sri Rajivalochanam been granted leave immediately he applied, he could have been given 14 days' leave before attaining the age of superannuation. It is this period of 14 days to which Sri Rajivalochanam lays a claim as a minimum, and this request is for Consideration in the circumstances.

2) The question of grant of furlough is not admissible as it does not satisfy the provisions of Art 147, M.S.R and it cannot therefore, be granted.

3) The other request for grant of ~~protection~~ leave on full average salary for 14 days deserves some consideration in the circumstances explained in para 8 of the notes, though the Dir says that Sri Rajeswaracharam in this application dated 20-9-48 had requested that after ~~retirement~~ this relief on retirement he might be granted furlough on full pay for 4 months and 7 days and not for 14 days from 24-9-48 to 8-10-48.

To

Sri R.H. Chandrasekhariah, B.A.,LL.B.,

Minister for Education in Mysore.

Sir,

While thanking you for your having kindly sanctioned my Privilege Leave on full pay for 19 days, earned during the period of my extension, in Govt.Order No.5597-98/C.B./30-48-3 dated the 30th June 49,

I request you to be so kind as to reconsider your orders, stating that the Furlough Leave on full pay for 4 months and seven days prayed for by me is not admissible, for the following reasons:

(1) The facts of the case briefly are that I did orally request the Director of Public Instruction to grant me Furlough Leave on full pay as early as May 1948, preparatory to my retirement from 1st June 1948 and this was not granted to me. It was as per kind advice on 22nd September 48 that I committed into writing my previous requests on several occasions, on 23rd September 48. The Director of Public Instruction was pleased to reply on 10th January 49 that the question of granting my leave does not arise, since I had been granted extension of service till the end of May 49. I may be permitted to bring to your kind notice that the grant of extension, which I believe was purely a gift from the benign Government, has nothing to do with my leave, as they are entirely two different issues and the grant of extension should not be a bar to the grant of leave, which is legitimately due to me. I did not press it in writing, as I was advised not do so and the Director of Public Instruction was also pleased to state that he had recommended me for the higher grade of 700-50-800, which I was given to understand, was under the kind consideration of Government.

To my subsequent representation for the grant of Furlough Leave for 4 months and 7 days on 31-1-49 and 10-6-49, I was given a reply on 9-8-49 stating that it was not feasible. Further it was stated that the period of 3 days' Privilege Leave earned by me during my extension was not applied for.

(2) I wish to bring to your kind notice that I was not permitted to utilise the leave at least from 24th September 48 till 8-10-48 onwards, ie, for 14

fourteen days, even after the submission of my representation dated 23-9-48. It may not be out of place to point out that I might have been at least permitted to utilise the leave from 1st of February 48 during my extension period, in response to my representation dated 31st January 49. But both these were denied to me.

In view of my long and devoted loyal service in the Department, I request that I may kindly be granted the Furlough Leave of Four months and seven days prayed for by me, together with 3 days& Privilege Leave earned during the period of my extension, for which act of kiddness, I shall be ever grateful to you.

I have herewith enclosed copies of my written application and the orders of the Director of Public Instruction in the matter.

Yours faithfully

18th December 49.

Retired Deputy Director of Public Instruction

Sir,

I submit to bring to your kind notice that I had proposed to take leave in May last preparatory to my retirement and requested your permission to do so. But you were pleased to ask me to wait as Sri.M.S.Rajagopala Rao, D.D.E.E., had just than retired and the Budget session of the Representative assembly was also being held. Further I was asked to inspect during June 48 the offices of the D.E.O's at Chitaldoorg and Shimoga on your behalf, besides the Offices of the Inspector of Sanskrit Schools and the Chief Medical Inspector of Schools at Bangalore and the Office of the Superintendent of the School for the deaf and blind boys, Mysore. Again in July and August 48 I renewed my request for permission. to go on leave, but you were pleased to instruct me to wait, presumably becaus e the vacancy of the D.D.E.E., had not been filled up. Now, a number of R.A.subjects have been received and I am also in charge of the duties of the D.D.H. and even now I cannot request permission to go on leave. In the interest of Office work, I could not be granted leave. I request yu, Sir, in these circumstancesto be so kind as to grant me after my relief, furlough on full pay for a period of four months and seven days since I had requested for leave as early as in Last week of May 1948. I would be forefeiting all the leave at my credit after attaining my superannuation on 8-10-1948. I understand that such a concession is permissible under the rules and was also granted to Sri. M.A. Narayana Iyengar, Retired D.D.B. previously.

Yours obediently,
Sd. B.Rajeevalochanam.

SUBJECT:- Report on the representation of Sri.B.Rajeevalochanam, M.A.(Hons.) retired Deputy Director for Middle School Education, regarding the grant of furlough due to him.

=+=

With reference to your letter No.9563/C.B. dated 20-1-1950 forwarding a copy of representation dated 18-12-1949 of Sri.B. Rajeevalochanam, M.A.(Hons.), retired Deputy Director of Public Instruction regarding the grant of furlough leave due to him and requesting that the points raised therein may be examined and reported in detail, I have the honour to state that the following points have been raised by Sri.B.Rajeevalochanam in his representation:-

1. That he did orally request the Director of Public Instruction as early as May 1948 to grant him furlough leave on full pay preparatory to retirement from 1-6-1948 and this was not granted to him.

2) It is clear from the representation of the Officer that he neither formally applied for the leave nor ascertained in writing from the sanctioning authority that the leave if applied for would not be granted as required under the rules. Hence the question of granting him the leave after the date of retirement as per rules did not arise as already reported to Government in this office letters No.H4.6463-354 of 48-49 dated 11-8-1949 and 25-10-1949.

2. That he was not permitted to utilise the leave at least from 24-9-1948 to 8-10-1948 even after the submission of his representation dated 23-9-1948.

3) Sri. Rajeevalochanam in his application dated 20-9-1948 had requested that after his relief on retirement he might be granted furlough leave on full pay for 4 months and 7 days and not for 14 days from 24-9-1948 to 8-10-1948 as stated in his present representation. The question of granting him leave from 24-9-1948 to 8-10-1948 does

p.t.o-

does not therefore arise. The other points raised under paras (1) and (2) of the representation are beside the question under consideration and they do not deserve consideration.

In this connection I wish to point out that I retired on 1st June 1949 and I was subsequently granted 19 days Privilege leave on full pay from 1-6-49 and I was ordinarily from 24-9-48 to 8-10-48. and I have drawn my salary during that period.
